Quoting **WeberHaus**

We all very much look forward to a partnership that allows you to buy tomorrow's home today.

The Advantages of Self-builder

In addition to the traditional self build mortgage, where staged payments are released in arrears, *Self-Builder* may also offer **advanced** stage payment mortgages which may be released prior to each step of the build to help fund the project. The scheme may also provide funds in advance to purchase the land and build materials. Our experienced mortgage consultants have access to the whole of market to help you to find the self build mortgage that suits your requirements, allowing you to get on with the important matter of building whilst secure in the knowledge that the funds are already arranged.

Typical Stage Releases:

Self Build

- Land – to purchase or obtain security on
- Foundations laid
- Wallplate / eaves level
- Wind and watertight and roof tiled
- Interior walls completed (plastered out)
- Ready to move in (completion)

Renovation/Conversion

- Purchase of existing structure
- Completion of structural overhaul
- Completion and upgrade of load bearing structure
- Interior walls completed (plastered out)
- Installation of services e.g. kitchen, electrics, gas
- Ready to move in (completion)

As with standard house mortgages, the maximum sum a lender will be prepared to advance is based on the ability of the clients to repay the mortgage. This is based on income multiples and affordability.
